

*One Dear Desire*

*By Thomas A. Davis*

One dear desire, Lord, one dear desire—  
Place on my heart the glowing, sacred fire;  
Let self be bound and placed upon that flame,  
And, all consumed, live but to praise Thy name.

One dear desire, Lord, one dear desire—  
Then with Thy greatness all my being inspire.  
Lightened with love and strengthened with Thy might,  
The weak I'll strengthen, to the dark bring light.
